How Your Contribution Will Help:

100% of all money raised by walkers goes directly back into the community through our individual grant program to support our HIV positive neighbors as well as toward developing our education program. The Foundation has given over half a million dollars to help provide funds to our HIV positive neighbors in Hampshire and Hampden counties for life's basic necessities. In addition, we are working on ways to prevent the spread of this virus here at home. Transmission rates continue to rise with a disease that is 100% preventable. It's time we stand together to make a change.

Grant money can be used to provide:

- Furniture for a family struggling to meet their basic necessities
- Money for transportation, ensuring that people are able to get to the doctor or their jobs
- Funds for rent or electricity when people are unable to make ends meet
- The opportunity for a child to meet others going through the same experiences with HIV/AIDS by going to summer camp

Registration:

You can register online or with this form at the Walk.

To register online, visit our website, www.aidsfoundationwm.org and click on the Walk logo. After you register online, you will receive an email with a link to your very own Fundraising Web-page. You can sign in and personalize your web-page, then email the address to everyone you know and they can donate right on your page!

You can also create a Team Page with all your friends!

Or if you prefer, you can use the registration form on this brochure. Be sure to bring this form with your collected donations with you to the AIDS Walk. One walker per form, please.

Team Information

- Friends, families, businesses and organizations are encouraged to form teams of walkers to participate in the Walk.
